DOCUMENT LIST

Proof documents for descent: Each step must be proven; references for all names, places, and dates must be provided. You may provide your own typed Documentation List.

Please put your name, address and a citation on the back of each document you submit. Do not staple your application, use highlighters or gummed address labels. If you check your papers and sort them carefully, number them correctly, and submit them in the proper order, staples or paper clips will not be necessary.

Give volume and page for book references and include a copy, photo, or other facsimile copy of the pertinent pages, and of all published or unpublished records used for proof. Typed, hand printed, or written copies of documents, not certified as "True Copies," are not acceptable as proof. Published or manuscript material authored by the applicant or his family will not of themselves be accepted as proof. Information for additional ancestral lines may be included on blank pages, showing the tie-in to the line on the basic application. If more than two lines are submitted, please include an ancestral chart to show the inter-connections. Only blood lines are acceptable. Please refer to the guidelines.

Example:

- Birth Certificate of Applicant (Use your own name)
- Marriage Record of Applicant
- Birth Certificate of Applicant's Spouse
